

CURTIS POND POOL RULES 2009

The Curtis Pond Swimming Pool is for the pleasure and enjoyment of Curtis Pond Members in good standing and their guests only. These rules are to ensure the safety of all pool users.

Each person is required to follow the rules of the pool, cooperate with and follow all directions of the lifeguards and respect the rights of others. Failure to do so may result in the Member and their guests being asked to leave the pool for not less than 24 hours by the lifeguard on duty. The Pool Manager will report serious incidents to the Board and a hearing may be scheduled to consider the suspension of Member rights to the pool if a Member or their guests fail to follow the rules.

Member complaints about any of the pool management company's employees may be submitted to Kevia Monroe with Kuester Management Company by calling 803-578-7828

A guest should never be at the pool without being accompanied by a Holder of a valid pool pass.
